POWERSTAR HQI-E coated

Metal halide lamps with quartz technology for enclosed luminaires

- Factories and workshops Exhibition halls and trade fairs
Sports halls and multi-purpose halls Approved only for use
in enclosed luminaires Outdoor applications only in suitable
luminaires

- Long lifetime E40 screw base for simple lamp handling UV values significantly below the maximum permitted thresholds to IEC 61167 thanks to UV filter
- Product features POWERSTAR® quartz technology Light colors: neutral white (NDL), daylight (D)Product benefits Long lifetime E40 screw base for simple lamp handling UV values significantly below the maximum permitted thresholds to IEC 61167 thanks to UV filterAreas of application Factories and workshops Exhibition halls and trade fairs Sports halls and multi-purpose halls Approved only for use in enclosed luminaires Outdoor applications only in suitable luminaires

Application advice

For more detailed application information and graphics please see product datasheet.

Ecodesign regulation information:

Separate control gear and light sources must be disposed of at certified disposal companies in accordance with Directive 2012/19/EU (WEEE) in the EU and with Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 in the UK. For this purpose, collection points for recycling centres and take-back systems (CRSO) are available from retailers or private disposal companies, which accept separate control gear and light sources free of charge. In this way, raw materials are conserved and materials are recycled.

Disclaimer

Subject to change without notice. Errors and omission excepted. Always make sure to use the most recent release.
