Product family datasheet

# LEDriving PREMIUM SL W21/5W

Ideal replacement for any vehicle

Wide range of different light colors Available in Cool White, Amber and Red for a variety of customization options

### Excellent brightness

Thanks to advanced thermal management and superior light distribution

## Matches W215W lamps

OSRAM

Upgrade to LED with simple plug & play replacement

### Suitable LED replacement for W21/5W

The LEDriving PREMIUM W21/5W retrofit lamps offer a suitable replacement for conventional W21/5W lamp bases. With these lamps, you have an easy plug & play replacement, regardless of base polarity. Thanks to homogenous light distribution a non-selective illumination is possible. For these LEDriving PREMIUM lamps, OSRAM offers a 6 year guarantee. These products are not ECE-approved and must not be used on public roads in any exterior application. Use on public roads will invalidate both the operating license and insurance coverage.Some countries prohibit the sale and use of these products. Please contact your local distributor for information on your country.
