### Product family datasheet

# SPD G2

Surge protection device

#### Product family features

- High surge protection for all lighting applications
- Failure indication LED
- Mains voltage up to 275 V
- Voltage protection level for connected LED driver <2 kV
- Push-in terminal

#### Product family benefits

- Low maintenance effort
- Suitable for luminaries of protection class I/II
- Several protection level options for different applications
- Securing uptime of your outdoor lighting installation from overvoltage pulses
- Fully compliant with IEC 61643-11

#### Areas of application

- Street and urban lighting
- Industry lighting
- Outdoor applications

SPD G2

## Product family datasheet

#### Application advice

For more detailed application information and graphics please see product datasheet.
