## **OSRAM**

# LEDriving SMART CANBUS (OFFROAD)

Accessories for LED retrofit lamps

Error message free
Bypasses the vehicle's error
detection

Robust and resistant
No disturbing flickering in
the headlamp

**3-year OSRAM Guarantee**Systematic quality assurance measures underpin the

premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

Duopack

Two Canbus in one box

### Convert from halogen to LED with original OSRAM accessories

Some vehicles report a fault in the exterior lighting when LED lamps are used. With the OSRAM LEDriving Smart Canbus series, potential error messages in the on-board system are avoided.

These error messages can occur when converting to LED lamps, as these have a lower current consumption than, for example, halogen lamps and therefore the vehicle's existing fault detection mechanism will be activated.

Only the combination of OSRAM LED lamps in conjunction with the official OSRAM accessories - LEDriving ADAPTER, LEDriving SMART CANBUS, LEDriving CAPs and LEDriving ERROR CANCELER is approved for the

operation of our LED lamps.

Details, in particular on the combination of OSRAM accessories and the street-legal NIGHT BREAKER LED and TRUCKSTAR LED lamps, can be found on the respective product pages under: NIGHT BREAKER LED Kompatibilitätslisten | Automotive (osram.de) or Automotive | OSRAM Automotive

### Technical data

	Product information	Electrical Data	Lifetime D	ata	Capabilities
Product description	Application (Category and Product specific)	Nominal wattage	Lifespan B3	Lifespan Tc	Technology
LEDriving Canbus Control LEDSC01	Accessories for LED retrofits	12.00 W	2500 hr	2500 hr	LED accessories
LEDriving Canbus Control LEDSC02-1	Accessories for LED retrofits	16.00 W	2500 hr	2500 hr	LED accessories
LEDriving Canbus Control LEDSC03	Accessories for LED retrofits	12.00 W	2500 hr	2500 hr	LED accessories

### Safety advice

Application advice: For more detailed application information and graphics please see product datasheet and user manual.

### Legal advice

1) Approved LED light source applies to all vehicle models to specific light functions and further restrictions in the respective country. Must not be used behind red and/or yellow colored glass.

For more details see www.osram.com/nb-led2) For precise conditions please refer to: www.osram.com/am-guarantee

#### **Application advice**

For more detailed application information and graphics please see product datasheet.

#### Disclaime

Subject to change without notice. Errors and omission excepted. Always make sure to use the most recent release.
